

**KINGSLEE HEIGHTS HOME ASSOCIATION  
DESIGN STANDARDS FOR EXTERIOR CHANGES, REPAIR AND CONSTRUCTION**

**Subject: North and South Circle House Numbers**

**Adopted: June 2001**

**Revised: April 2002**

The following standard is to be used for replacement of house numbers.

**NOTE: Please refer to Documents 010 and 011, "Application Form" and "Guidelines", which state that approval of the KHH Board is required prior to start of construction or repairs. Owners are not to proceed until they have received a signed copy of Disposition of Application which is Document 013.**

1. Block brass numbers 4 inches in height shall be placed on a 5" high x 12" long wooden board painted to match the home trim color.
2. The boards shall be put on the brick facing by the garage doors above the mailbox.
3. Numbers shall be horizontal, not vertical or diagonal
